

**MICHIGAN STATE UNIVERSITY**  
**Faculty and Academic Staff Salary List**  
**2008-09**

The listing contains salaries in effect October 1, 2008.

Faculty and academic staff members are listed alphabetically within rank in their respective departments. Individuals holding multiple appointments are listed in each department in which they are budgeted, either on a continuing or temporary basis. "Percent Employed" refers to the total employment in all units of the university, not just the unit in which the individual is listed.

Appointment status is coded as follows:

T	-	Tenured faculty	EM	-	Executive management
TS	-	In tenure system; not yet tenured	C	-	Continuing employment
N	-	Fixed term appointment	CE	-	Continuing employment system

"Years Experience" indicates the individual's years of professional activity as defined by college and departmental guidelines.
